BAHUBALI, a 3D computer-animated feature film, is a recent culmination of 12 years of experimentation for director SHREE SHREE JAGAT JAGBALI who got inspiration from medieval Kannada poet GOWDA MOHINI. Initially planned as a short film, BAHUBALI released with a Special Screening in the presence of the Film Critics Association of South India (FCASI) at the Jaipur International Film Festival in December 2011. Audiences have adopted the film as a cult classic. .de caudo firme bursa 6d1f23a050
